ABOUT ME

Age : 27 years old

Birthdate: August 07, 1996

Birthplace: San Roque, Bauan, Batangas

Status: Single

EXPERIENCE

Proweaver, Inc.

With nearly 3 years of experience as a Web Developer at Proweaver, Inc., I've dedicated myself to honing my web development skills. My role primarily involves modifying existing websites, which showcases my adaptability and creativity in meeting specific project needs. Additionally, I play a crucial role in the redesign and layout conversion of the company website. By collaborating within cross-functional teams, I actively participate in implementing innovative solutions, fostering a dynamic and productive work environment. Continuously enhancing my technical skills, I've contributed significantly to both personal and company growth.
