

ARNULFO S. CACERES JR

I'm a Front-End Developer dedicated to turning ideas into engaging web applications. I design user-friendly interfaces that emphasize performance and usability.

ABOUT ME

Age : 28 years old

Birth Date: August 07, 1996

Birth Place: San Roque, Bauan, Batangas

Based in: Liloan, Cebu, Philippines

EXPERIENCE

Proweaver, Inc. - Web Developer

April 2022 - Present

- With nearly **3** years as a Web Developer at Proweaver, Inc., I specialize in managing the company's official WordPress site, handling updates, redesigns, and new feature integration. I enhance site functionality and collaborate with teams to implement effective solutions, driving improvements and aligning with business objectives.

Courses & Certifications

Completed *React - The Complete Guide (Hooks, React-Router, Redux)* and *React Native - The Practical Guide* on Udemy, gaining advanced knowledge in building scalable React applications and mobile apps with React Native. These courses have deepened my expertise in front-end development and enhanced my ability to deliver dynamic, responsive user experiences.
